

# PS116 Pre-K Supply List

## September 2019

Below are the items the Pre-K team is asking families to contribute to their classroom communities for the fall. Most of the items will be shared among the members of the class, so please do not label them with your child's name (unless specifically noted).

Teachers may also provide specific class wish lists once the year begins. These are the items we are requesting to get the year started.

### All students:

- 1 picture of just your child and 1 picture of the whole family. Please label the back of each with your child's name. We would like to use these pictures to make the children feel more comfortable in their new community.
